

Healthy and Safety Policy

BRP-POL-2016-010001

Objectives

Responsibilities

Application of this policy

Objectives

This policy:

- shows the commitment of BRP's management and workers to health and safety
- aims to remove or reduce the risks to the health, safety and welfare of all workers, contractors and visitors, and anyone else who may be affected by our business operations
- aims to ensure all work activities are done safely

Responsibilities

The Board / Management (the supervisor and / or manager) are responsible for providing and maintaining:

- a safe working environment
- safe systems of work
- plant and substances in safe condition
- facilities for the welfare of all workers
- any information, instruction, training and supervision needed to make sure that all workers are safe from injury and risks to their health

Employees are responsible for:

- ensuring their own personal health and safety, and that of others in the workplace
- complying with any reasonable directions (such as safe work procedures, wearing personal protective equipment) given by management for health and safety
- complying with safe work practices, with the intent of avoiding injury to themselves and others and damage to plant and equipment
- taking reasonable care of the health and safety of themselves and others
- reporting all accidents and incidents on the job immediately, no matter how trivial
- reporting all known or observed hazards to their supervisor or manager
- complying with the Health and Safety policies and procedures of BRP's clients as required in the scope of service or whenever BRP's personnel is at clients' facilities

We expect visitors and contractors to:

- complying with the all requirements set as for BRP's employees.

Application of this policy

We seek the co-operation of all workers, customers and other persons. We encourage suggestions for realizing our health and safety objectives to create a safe working environment.

This policy applies to all business operations and functions, including those situations where workers are required to work off-site.
